B In the fer - tile plain, Giv - ing joy and glad - ness, Comes the gen - tle rain.

Ruebush, Kieffer & Co.
(1882)

Thomas Webster Dennington (1852-1937) was born in Georgia. He became a music teacher and taught in Ellis, Texas, and Athens, Georgia. He was active as conductor in singing schools and music conventions. He died in Atlanta, Georgia. His compositions are gospel songs and school songs.

Sparkling in the sunlight,
Dancing on the hills,
Tapping at my window,
Singing in the rills;
Comes the pleasant sun-shower
Like a glad surprise,
While I gaze with wonder
At the changeful skies.

Clouds are flying swiftly,
Sunlight breaking thro',
Every thing is shining
As with morning dew;
Falling on the mountain,
In the fertile plain,
Giving joy and gladness,
Comes the gentle rain.

Patter, patter, patter, patter;
Listen to the rain,
Patter, patter, patter, patter;
Spring has come again;
Patter, patter, patter, patter;
Hear the soft refrain,
Tapping, tapping, tapping, tapping,
On the window pane.

Verse 2 and chorus T. W. D.

TERMS OF USE

These editions are available as a service to the choral community, offering inexpensive access to public domain literature. Choir resources can purchase other literature still under copyright, especially to support those creating and publishing new compositions and arrangements. These editions have been created using public domain sources under U. S. copyright law. Out of respect to the research, time and effort invested:

- please print and issue an edition in its entirety, retaining notices, attributions, and logos.
- please do not consider this edition a source for creating another edition.

If performed, sending a copy of the concert program would be a valuable affirmation. If recorded, notification and attribution would be appropriate professional courtesies and a copy of the recording would be greatly appreciated!
