

# **Pack, Clouds, Away**

**Charles Hartford Lloyd**  
**(1849-1919)**

**Charles Harford Lloyd** (1849-1919) was born in Gloucestershire and studied at Magdalen Hall, Oxford. While there, he, along with his friend Hubert Parry, founded the Oxford Musical Club. He was the club's first president. He was appointed organist at Gloucester in 1876 and at Christ Church Cathedral, Oxford, in 1882. In 1892, he became a music teacher at Eton College. Upon his retirement in 1914, he was appointed organist at the Chapel Royal. His choral compositions are mostly anthems and part-songs but he did write a number of cantatas, odes, and instrumental works.

Pack, clouds, away, and welcome day,  
With night we banish sorrow;  
Sweet air blow soft, mount larks aloft  
To give my Love good-morrow!  
Wings from the wind to please her mind  
Notes from the lark I'll borrow;  
Bird, prune thy wing, nightingale sing,  
To give my Love good-morrow;  
To give my Love good-morrow  
Notes from them both I'll borrow.

Wake from thy nest, robin-red-breast,  
Sing, birds, in every furrow;  
And from each hill, let music shrill  
Give my fair Love good-morrow!  
Blackbird and thrush in every bush,  
Stare, linnet, and cock-sparrow!  
You pretty elves, amongst yourselves  
Sing my fair Love good-morrow;  
To give my Love good-morrow  
Sing, birds, in every furrow!

Thomas Heywood (c. 1570-1641)

#### TERMS OF USE

These editions are available as a service to the choral community, offering inexpensive access to public domain literature. Choir resources can purchase other literature still under copyright, especially to support those creating and publishing new compositions and arrangements. These editions have been created using public domain sources under U. S. copyright law. Out of respect to the research, time and effort invested:

- please print and issue an edition in its entirety, retaining notices, attributions, and logos.
- please do not consider this edition a source for creating another edition.

If performed, sending a copy of the concert program would be a valuable affirmation. If recorded, notification and attribution would be appropriate professional courtesies and a copy of the recording would be greatly appreciated!
