Novello and Co.
(1925)

Alan Palmer was a musician active during the 1920s, presumably in England. No information about him can be identified. He published a part-song and at least one song.

Hoyda, hoyda, jolly rutterkin.
Hoyda, hoyda, like a rutterkin.

Rutterkin is come unto our town,
In a cloak without coat or gown,
Save a ragged hood to cover his crown.

Rutterkin can speak no English.
His tongue runneth all on buttered fish
Besmeared with grease about his dish.

Rutterkin shall bring you all good luck,
A stoup of beer up at a pluck,
Till his brain be as wise as a duck.

attr. William Cornysh (1465?-1523) or John Skelton (c.1463-1529)

“rutterkin” = “a swaggering gallant or bully”
“hoyda” = “an exclamation of gaiety or amusement”
 (“heyday”)

TERMS OF USE

These editions are available as a service to the choral community, offering inexpensive access to public domain literature. Choir resources can purchase other literature still under copyright, especially to support those creating and publishing new compositions and arrangements. These editions have been created using public domain sources under U. S. copyright law. Out of respect to the research, time and effort invested:

please print and issue an edition in its entirety, retaining notices, attributions, and logos.
please do not consider this edition a source for creating another edition.

If recorded, notification and attribution would be appropriate professional courtesies.
